PROCEEDINGS OF THE BOARD OF COUNTY COMMISSIONERS

Date: November 23, 2021 9:02 a.m.

Place: Commissioners Room, Courthouse, Caledonia, MN

Members Present:

Dewey Severson, Eric Johnson (attended remotely), Robert Burns, Teresa

Walter, and Greg Myhre

Others Present:

Reporter Craig Moorhead, Reporter Charlene Selbee, Finance Director Carol Lapham, Human Resources Director Theresa Arrick-Kruger, Board Clerk/EDA Director Allison Wagner, Engineer Brian Pogodzinski, Public Health and Human Services Director John Pugleasa, Financial Assistance Supervisor Karen Kohlmeyer, Chief Deputy Brian Swedberg, Houston Librarian Liz Gibson-Gasset, and Caledonia Librarian Stephanie Eggert

Presiding: Chairperson Burns

Call to order.

Pledge of Allegiance.

Prior to approving the agenda Chairperson Burns announced that three additional items had been added to the consent agenda. These included hiring Heidi Lapham as probationary Deputy Auditor/Treasurer-License Center, assigning Patrick Molling as probationary Lead Jailer/Dispatcher, and approving a competitive search for Jailer/Dispatcher. Motion was made by Commissioner Walter, seconded by Commissioner Severson, motion carried unanimously to approve the agenda with the changes.

Motion was made by Commissioner Walter, seconded by Commissioner Myhre, motion unanimously carried to approve the meeting minutes from November 9, 2021.

Motion was made by Commissioner Myhre, seconded by Commissioner Severson, motion unanimously carried to approve the workgroup session minutes from November 16, 2021.

Public Comment: Houston Librarian, Liz Gibson-Gasset presented to the Commissioners and said she was there representing the five libraries in Houston County. She told the Commissioners she had served on the committee with SELCO that had been negotiating an increase to the libraries with County committee representatives Chairperson Burns and Commissioner Walter. The proposed increase to the libraries was \$20,000. The Commissioners

had not yet signed the new contract. The increase would come from County citizens who did not live in a city with a library. Gibson-Gasset said that there was an inequity between the per capita amount that citizens of cities with libraries paid in the County compared to the per capita amount that citizens who lived in areas without libraries paid. County residents of cities with libraries were paying more per capita towards the libraries than citizens who did not live in these cities. Gibson-Gasset urged the Commissioners to sign the new contract so that the librarians could plan for the next year. She told the Commissioners about the variety of services that the libraries offered to residents, and that the increase of \$20,000 would only cover the most basic needs of the libraries. Commissioners asked questions and briefly discussed the matter. Commissioner Johnson said his concern with the new contract was that it was a one year contract. He said he would prefer a contract that would be good for multiple years such as a three year contract. No official decisions were made on the matter.

A Public Hearing was held to discuss the MS4 Permit held by the County, as a requirement by the permit. There were no public comments during the hearing.

DISCUSSION ITEMS

Chairperson Burns asked County Engineer Pogodzniski if he saw any issues with a bike rally event that would be coming to Houston County in the summer of 2022. Pogodzinski said he did not see any issues with the event and that the organization holding the event would provide their own traffic control.

Commissioners briefly discussed American Rescue Plan Act (ARPA) dollars. Chairperson Burns proposed allocating some ARPA funding to a watershed district in 2021. He requested that the request be an action item at the next regular meeting. It was the general consensus of the board to reconsider a request from Semcac for possible ARPA funding, as Semcac had received some ARPA dollars, but not any dollars that could be used on updating their facility in Caledonia.

Public Comment: No final public comments were made.

There being no further business at 11:54 a.m., the meeting was adjourned. The next meeting would be a regular meeting on December 14, 2021.

CONSENT AGENDA REQUEST: Adopt Resolution 21-59 to support and opt in to the multistate settlements with McKesson, Cardinal Health, and AmerisourceBergen, and with Johnson & Johnson and to authorize county staff to execute all necessary documents to ensure County participation in the multistate settlements, including the Participation Agreement and accompanying Release, and in the State-Subdivision Agreement; and supports the amending of Minn. Stat. § 256.043, subd. 3(d), to remove a provision which would appropriate approximately 50 percent of the state's settlement allocation to county social service agencies via the existing Opiate Epidemic Response Fund distribution mechanism for statutorily-prescribed use(s).

Decision:				

RESOLUTION 21-59

Authorizing county staff to execute all necessary documents to ensure County participation in the multistate settlements relating to opioid distributors and manufacturers, and in the Minnesota Opioids State-Subdivision Memorandum of Agreement, and declaring support for an amendment to Minn. Stat. § 256.043, subd. 3(d).

WHEREAS, the State of Minnesota and numerous Minnesota cities and counties are engaged in nationwide civil litigation against manufacturers and distributors of prescription opioids related to the opioid crisis; and

WHEREAS, the Minnesota Attorney General has signed on to multistate settlement agreements with several pharmaceutical distributors, McKesson, Cardinal Health, and AmerisourceBergen, as well as opioid manufacturer Johnson & Johnson, but those settlement agreements are still subject to sign-on by local governments and final agreement by the companies and approval by the courts; and

WHEREAS, there is a deadline of January 2, 2022, for a sufficient threshold of Minnesota cities and counties to sign on to the above-referenced multistate settlement agreements, and failure to timely sign on may diminish the amount of funds received by not only that city or county but by all Minnesota cities and counties from the settlement funds; and

WHEREAS, representatives of Minnesota's local governments, the Office of the Attorney General, and the State of Minnesota have reached agreement on the intrastate allocation of these settlement funds between the State, and the counties and cities, as well as the permissible uses of these funds, which will be memorialized in the Minnesota Opioids State-Subdivision Memorandum of Agreement (the "State-Subdivision Agreement"); and

WHEREAS, during negotiations of the State-Subdivision Agreement, representatives of Minnesota's counties prioritized flexibility in how local governments may use settlement funds for opioids abatement and remediation and advocated for counties to receive settlement allocations directly rather than using the distribution mechanism detailed in Minn. Stat. § 256.043, subd. 3(d); and

WHEREAS, in order to achieve the goals of flexibility and direct allocation, Minn. Stat. § 256.043, subd. 3(d), must be amended to remove a provision which would otherwise appropriate approximately 50 percent of the state's settlement allocation to county social service agencies for statutorily-prescribed use(s); and

WHEREAS, the State-Subdivision Agreement creates an opportunity for local governments and the State to work collaboratively on a unified vision to deliver a robust abatement and remediation plan to address the opioid crisis in Minnesota; now, therefore,

BE IT RESOLVED, Houston County supports and agrees to the State-Subdivision Agreement; and

BE IT FURTHER RESOLVED, Houston County supports and opts in to the multistate settlements with McKesson, Cardinal Health, and AmerisourceBergen, and with Johnson & Johnson; and

BE IT FURTHER RESOLVED, Houston County authorizes county staff to execute all necessary documents to ensure County participation in the multistate settlements, including the Participation Agreement and accompanying Release, and in the State-Subdivision Agreement; and

BE IT FURTHER RESOLVED, Houston County, supports the amending of Minn. Stat. § 256.043, subd. 3(d), to remove a provision which would appropriate approximately 50 percent of the state's settlement allocation to county social service agencies via the existing Opiate Epidemic Response Fund distribution mechanism for statutorily-prescribed use(s).

Root River WMA Tract 15

- ~36.75 acres located in Hokah Township in Root River floodplain
- No row cropping-too wet, persistent issues with flooding out.
- Willing seller
- Contacted Township-Township has no concerns with sale and transfer to the state
- Payment in lieu of taxes est. \$981.75/year.
 - Previous taxes (for entire parcel of 74 acres with homesite-state is only acquiring 36.8 acres of unbuilt land, owner is retaining remaining acreage and the homesite)
 - 2021-\$1,786
 - **2020-\$1,472**
 - **2019-\$1,396**
- Sales of lands within the floodplain of the Root River were previously approved by the County
 Board for acquisition in 2001 through a blanket approval resolution to facilitate floodplain
 reconnection, wetland restoration, and wildlife habitat management after severe flooding. Due
 to the length of time that has passed, we are seeking a new resolution to approve the
 acquisition of this parcel. Previous resolution is attached.

Agreement Between the University of Minnesota And

Houston County For providing Extension programs locally and employing Extension Staff

This Agreement ("Agreement") between the County of Houston Minnesota ("County") and Regents of the University of Minnesota on behalf of its Extension unit, 240 Coffey Hall, St. Paul, Minnesota, 55108 ("University") is effective January 1, 2022, and supersedes and replaces any and all current or existing agreements relating to Extension and its programs that may exist between the County and University.

The term of this Agreement shall be three (3) years, beginning on January 1, 2022 and ending on December 31, 2024, unless earlier terminated as provided in paragraphs 8 and 9.

WITNESSETH:

WHEREAS, Minn. Stat. §38.34 authorizes a Board of County Commissioners to incur expenses and spend money for County Extension work; and

WHEREAS, the money set aside and appropriated by the County Board in the County Extension Fund may be paid out by orders of the University's Director of Extension, or the Director's designee, as identified in Minn. Stat. §38.36, Subd. 3; and

WHEREAS, Minn. Stat. §38.37 provides that Extension educators must be employed according to University personnel procedures and must be University employees; and

WHEREAS, it is the intention of the County and University that the University shall provide Extension services on behalf of the County in exchange for considerations as detailed herein.

NOW THEREFORE, in consideration of the mutual undertaking and agreements contained within this Agreement, the County and University hereby agree as follows:

1. In accordance with Minn. Stat. §38.37 County desires to augment University's state-wide Extension programs. The programs that the County will augment are detailed in Table A below.

Table A

Program	FTE	2022 Price	FTE	2023 Price	FTE	2024 Price
Extension Educator, AFNR (Ag)	0.50	\$42,500	0.50	\$43,457	0.50	\$44,543
Extension Educator, 4-H Youth Development	1.00	\$76,949	1.00	\$78,681	1.00	\$80,648
Total	1.50	\$119,449	1.50	\$122,138	1.50	\$125,191

- 2. County recognizes that University costs for supporting these positions may increase from year to year. The costs payable for these positions are reviewed by the Association of Minnesota Counties' ("AMC") Extension Committee and University's Extension central administration, at which time the parties will agree on an appropriate inflation factor for the coming year(s). Unless County and University otherwise agree, the inflation factor will be as agreed to by AMC and University.
- 3. Based on the County's funding commitment, University will be responsible for providing salary & fringe benefits for the positions, enhanced programming from regional extension educator staff, program supervision, travel (mileage, meals, and lodging), in-service training within program area, payroll, and accounting services.

The County agrees to provide local support in the form of support staff, office space, office furnishings, telephone, computer, software, internet service,, storage space, and general office supplies. The University will recommend support staff responsibilities, technology needs and other office standards. Nevertheless, the level of availability and type of local support will be determined by the County as established in the annual budget.

- 4. University will bill the County on a quarterly basis and the County will submit payment within thirty-five (35) days of receipt of the bill. The total annual amount to be paid by the County shall be paid in four (4) equal quarterly payments.
- 5. During an extended leave of absence (e.g. FMLA; educational leave), the University will continue the program with regional educators and/or temporary employees with involvement and concurrence of the County, The County will be billed at the contract price and will not incur any additional charges for regional educators or temporary employees.
- 6. As vacancies occur (e.g. retirement, resignation), and if the County and University agree to continue to support the desired program and position, University will hire new personnel with involvement and concurrence of the County. The County will not be billed for a position during the time that position is vacant. If temporary employees are hired to continue the program during the hiring process, the County will be billed at the contract price.
- 7. The University will complete an annual performance evaluation of each University Extension employee working in the County and supporting the programs identified in paragraph 1. The County Extension Committee will have the option to provide input to University on such evaluation. The

University in accordance with University personnel guidelines will determine salary adjustment of each University Extension employee.

- 8. Annually, the County Extension Committee, in coordination with University, will be responsible for approving the County Extension educational programming and services, as provided for in Minn. Stat. §38.34.
- 9. Nothing in this Agreement precludes the County or University at any time during the term of this Agreement from requesting a modification of the County Extension program, including an adjustment of the number of University Extension personnel working in the County. The County or University will provide a minimum of ninety (90) days prior notice if either party desires a change in programs that results in a decrease in the staffing or funding level, and both parties agree to enter into good faith discussions to address such request.
- 10. If University or the County in good faith determines that funding is no longer available to support the programs or positions providing services locally, either party may terminate this Agreement. SUMMIT COMPANIES PROPOSAL AND CONTRACT GENERAL CONDITIONS

These General Conditions are attached to and made a part of the Summit Proposal and Contract to which they are attached (collectively, the "Contract") as if fully set forth on the front page of the Contract. As used in these General Conditions, "Summit," "Owner," "Project," and "Contract Price" shall have the same meanings as those terms have in the Contract.

- 1. Payment. Owner agrees to pay the Contract Price for the Project as and when required in the Contract. If Owner fails to pay the Contract Price, or any installment thereof, within ten (10) days after the date the same is due and payable, Owner shall automatically be assessed and shall pay a late charge equivalent to three percent (3%) of the amount of such late payment, together with interest on such late payment at the lower of the maximum rate allowed by applicable law or the rate of eighteen percent (18%) per annum.
- 2. Changes. Except for substitutions, as described below in this paragraph, any alteration or modification to the Project must be documented and approved by Summit and Owner by a written change order signed by Summit and Owner. Summit reserves the right to require Owner to pay for all change order items (labor, equipment and any other materials) at the time of signing the change order. In the event of discontinuations, changes or the unavailability of specific equipment or materials described in the Specifications, Summit will have the right to substitute equipment and materials with substantially similar quality and features; provided, however, that if the replacement items are more expensive, then Summit shall notify Owner and Owner may elect whether to pay the additional expense (as an increase to the Contract Price) or to modify the Proposal to include less expensive items, if available, that would not increase the Contract Price.
- 3. Limited Warranty. All materials and labor supplied by Summit will be warranted for one (1) year from the date of completion of the Project. Upon request, Summit will supply a signed warranty letter to Owner, which states the completion date of the Project and the warranty termination date. Certain equipment may include manufacturer's warranties. Summit provides no additional warranty on such equipment. Owner shall have the right to seek enforcement of any such manufacturer's warranty. Summit shall have no obligation to seek enforcement of any such manufacturer's warranty against the manufacturer. Any labor or other services requested by Owner of Summit in connection with Summit's warranty after the one (1) year warranty termination date shall be paid by Owner to Summit based on Summit's standard fees and charges at the time. No other express or implied warranties are made by Summit. Summit's warranty shall not apply with respect to misuse, abuse or any use that is not in conformity with all applicable specifications and instructions. Except as specifically set forth in this Contract, Summit, and/or its agents and representatives makes no warranty or representation, express or implied, with respect to use, construction standards, workmanship, materials, merchantability or fitness for a particular purpose.
- 4. Taxes. Any taxes or other governmental charges related to the Project shall be paid by Owner to Summit and shall be in addition to the Contract Price. In addition, if any fees or permits (such as one or more building permits) are required in connection with the Project, Owner shall secure and pay for any such fees and permits, the cost of which shall be in addition to the Contract Price
- 5. <u>Unavoidable Delays</u>. To the extent any time period for performance by Summit applies, Summit shall not be responsible for any delays due to federal, state or municipal actions or regulations, strikes or other labor shortages, equipment or other materials delays or shortages, acts or omissions of Owner, or any other events or causes beyond the control of Summit.
- 6. Access. Owner shall allow Summit to have reasonable access to the job site to allow the completion of the Project on the dates and at the times requested by Summit personnel.
- 7. Risk of Loss. Risk of loss shall pass to Owner at the time the equipment and other materials that are part of the Project are delivered to the job site. This means that, for example, in the event of damage or destruction due to casualty, or in the event of theft, Owner shall be responsible for payment for such equipment and materials even if the Project has not been completed. Title to the equipment and other materials shall be held by Summit until payment in full of the Contract Price, at which time title shall pass to Owner. Summit shall have the right to remove the equipment and other materials that are a part of the Project if payment of the full Contract Price is not made by Owner immediately upon completion of the Project. That right shall be in addition to, and not in limitation of, Summit other rights and remedies.
- 8. MECHANIC LIEN NOTICE. YOU ARE ENTITLED UNDER MINNESOTA LAW TO THE FOLLOWING NOTICE:
 - (a) ANY PERSON OR COMPANY SUPPLYING LABOR OR MATERIALS FOR THIS IMPROVEMENT TO YOUR PROPERTY MAY FILE A LIEN AGAINST YOUR PROPERTY IF THAT PERSON OR COMPANY IS NOT PAID FOR THEIR CONTRIBUTIONS.
 - (b) UNDER MINNESOTA LAW, YOU HAVE THE RIGHT TO PAY PERSONS WHO SUPPLIED LABOR OR MATERIALS FOR THIS IMPROVEMENT DIRECTLY AND DEDUCT THIS AMOUNT FROM OUR CONTRACT PRICE, OR WITHHOLD THE AMOUNTS DUE THEM FROM US UNTIL 120 DAYS AFTER COMPLETION OF THE IMPROVEMENT UNLESS WE GIVE

YOU A LIEN WAIVER SIGNED BY PERSONS WHO SUPPLIED ANY LABOR OR MATERIAL FOR THE IMPROVEMENT AND WHO GAVE YOU TIMELY NOTICE."

- 9. <u>Limitation of Liability and Remedies</u>. The Project is not an insurance policy or a substitute for an insurance policy. In the event of any breach, default or negligence by Summit under this Contract, Owner agrees that the maximum liability of Summit shall not exceed an amount equal to the Contract Price. Owner expressly waives any right to make any claim in excess of that amount. Further, Owner waives any right to any claims for punitive, exemplary or consequential damages. Owner shall provide Summit with reasonable notice of any claim and a reasonable opportunity to cure the alleged breach or default. Owner shall indemnify, defend and hold Summit harmless from and against claims, actions, costs and expenses, including reasonable legal fees and costs, arising out of any injury, death or damage occurring on or about the job site unless caused by the gross negligence or willful misconduct of Summit.
- 10. Owner's Failure to Pay. If Owner fails to pay any amount due to Summit as and when required, Summit shall have the right, but not the obligation, to immediately stop work on the Project and Summit may pursue any and all available remedies, including the right to place a lien against the Project site. In addition, Owner shall be obligated to reimburse Summit for reasonable legal fees and costs incurred by Summit in the enforcement of this Contract.
- 11. Binding Arbitration Agreement. Except as otherwise set forth in Section 10 above, in the event of any dispute between Owner and Summit, whether during the performance of the work and services contemplated under this Contract or after, Owner and Summit agree to negotiate in good faith towards the resolution of the dispute. If Owner and Summit are unable to resolve the dispute within twenty (20) days after the date the dispute arises, then Owner and Summit agree to resolve the dispute through binding arbitration. All disputes arising out of or relating to this Contract including, without limitation, claims relating to the formation, performance or interpretation of this Contract, and claims of negligence, breach of contract and breach of warranty, which are not resolved either through direct negotiation as provided above, shall be resolved by binding arbitration under the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. This arbitration agreement will be governed by the Federal Arbitration Act and the Minnesota Uniform Arbitration Act. Arbitration will be commenced by written demand for arbitration filed with the American Arbitration Association and the notice of filing, together with a copy of the written demand for arbitration, be provided to the other party in accordance with the notice provisions of this Contract. However, no arbitration or legal action will be commenced following expiration of the application statute of limitations or repose. Judgment on the arbitration award will be confirmed in any court with jurisdiction. Owner and Summit agree that any subcontractor, material supplier, or sub-subcontractor may be made a party to the arbitration proceeding. Venue for the arbitration will be Ramsey County, Minnesota. Summit expressly reserves all mechanics lien rights under Chapter 514 of the Minnesota Statutes and may take such other legal action as is needed to perfect such rights. The provisions contained in this paragraph will survive the completion of
- 12. Miscellaneous. The headings used herein are for convenience only and are not to be used in interpreting this Contract. This Contract shall be construed, enforced and interpreted under the laws of the State of Minnesota. This Contract may not be modified, amended or changed orally, but only by an agreement in writing signed by the parties hereto. Neither party shall be deemed to have waived any rights under this Contract unless such waiver is given in writing and signed by such party. If any provision of this Contract is invalid or unenforceable, such provision shall be deemed to be modified to be within the limits of enforceability or validity, if feasible; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Contract in all other respects shall remain valid and enforceable. This Contract is not assignable by Owner. This Contract is the entire agreement between the parties regarding the subject matter of this Contract; any prior or simultaneous oral or written agreement regarding the subject matter hereof is superseded by this Contract.
