That if said second party remains in possession of said premises after the expiration of the term for which they are hereby leased, such possession shall not be construed to be a renewal of this lease, but to be a tenancy at the will of the said first party, which may be terminated upon ten days notice, given by the said

And that said second party also covenants and agrees to and with the said first party, not to assign this lease or underlet the above rented premises or any part thereof, without first obtaining the written consent of the said first party and that Lessee will at the expiration of the time as herein recited, quietly yield and surrender the aforesaid premises to the said first party, Lessee's heirs or assigns, in as good condition and repair as when taken, reasonable wear and tear and damage by the elements alone excepted. Said second party also covenants and agrees to cultivate the hereby leased premises in as careful and husband-like manner.

The party of the second part is also to destroy all thistles and other noxious weeds growing on said land, declared by statute to be common nuisances, within the times prescribed by law, and shall keep all roadways and other parts of the land, not in crop, mowed and free from growing weeds. As security for the payment of the rents herein specified and the faithful performance and strict fulfillment of all the covenants of said second party in this lease contained, said second party does hereby grant a security interest to said first party in all crops grown or growing on said premises during the term of this lease and in products and contract rights with respect thereto and all proceeds of each. Upon any default on the part of the said second party in paying said rent or in performing any of the covenants of this lease, and at any time thereafter, said first party shall have, in addition to the rights and remedies granted hereby, all rights and remedies of a secured party under the Uniform Commercial Code or other applicable law, and said first party may require said second party to assemble said property and make it available to said first party at a place to be designated by said first party that is reasonably convenient to both parties. Words used in this instrument in the masculine gender include the feminine and neuter, the singular number includes the plural and the plural the singular.

Additional Terms:

The location and height of crops relative to Part 77 Obstruction Surfaces Areas to be kept free of any crops or farming equipment include the Transitional Surface, Runway Safety Area, Object Free Area and the Obstacle Free Zone.

In the event that the Lessee damages any airport surfaces, including but not limited to the causing of ruts in soft turf, leaving Foreign Object Damage (FOD) on airport ramps or taxiways, etc., driving over septic field, the Lessee shall be solely responsible for any and all damages and the cost of repairs. Any repairs not immediately made by the Lessee may be made by the County and billed to the Lessee. Should the lessee fail to reimburse Houston County for the cost of repairs, the Lessee hereby agrees that the County shall have the right to assess the cost of the repairs on the Lessee's real estate taxes.

It is further understood that agricultural crops have a potential for attracting birds and other wildlife which may pose a hazard to aircraft. If birds or other wildlife become a problem because of agricultural operations on the airport, the FAA expects that the airport operator/owner immediately initiate remedial action. A non-certificated airport will be considered as having a wildlife problem if wildlife activity is significant enough to cause or result in a multiple bird strike, engine ingestion, or a damaging collision with wildlife other than birds. If a wildlife problem develops, the county engineer will arrange for a site visit by a wildlife biologist from either the USDA Animal Damage Control or the State wildlife agency. The site visit will determine if the wildlife problem is a result of agricultural crops and will recommend remedial measures to help alleviate the hazard. This remedial action may include the temporary or complete termination of the agricultural operation. If the above mentioned scenario does result in termination of the agricultural operation, the Lessee shall immediately plow under all crop residue and harrow the area smooth, and Houston County will reimburse the Lessee for the cost of the crops lost.

IN TESTIMONY WHEREOF, both parties have hereunto set their hands the day and year hereinbefore written.
